2020 CAMPAIGN FUNDS

In 2020, our campaign funds were managed by the Grant Allocations Committee, a team of diverse volunteers who spent their time and expertise reviewing all of the applications that we received for organizational funding. We are proud that agencies listed below receive financial support to serve those across our United Way of East TN Highlands footprint.

If you feel that a specific county is being underserved, be sure to designate your gift accordingly on your pledge card. If you are interested in becoming a part of the volunteer Grant Allocations Committee, please contact our office.
